Experience

Web Developer (Internship)

Eydap

Athens,Greece

11/2021-4/2022

- Throughout my internship, I had the privilege of working on a variety of projects that allowed me to apply and expand my knowledge of front end and back end technologies. Collaborating with the talented developers at Eydap exposed me to industry best practices and provided me with a deeper understanding of how to create efficient, responsive, and visually appealing websites.
- Participate in team meetings and brainstorming sessions provided me with insights into the collaborative nature of web development projects.
- Management and control of the organizational goals of the business, web-based applications were used and maintained.
